*1 **Sibling** – defined as 'child of the family'.

This covers children fostered, adopted or half-brothers and sisters and orphaned cousins being brought up within a family.

*2 **Eldest child** – defined as: "children who at the date of their application, are the eldest child of the family as evidenced by date of birth. This wording covers "only" children and is also intended to treat twins (or other multiples) as joint eldest.

In circumstances where a family has not had the opportunity to have the eldest child already and currently enrolled in the School by reason of an older sibling being unable to attend a mainstream school but who attended a Special School, then for the purposes of this criterion the eldest child shall be deemed by the Board of Governors to be the Child next eligible to apply for admission to the school".
